

Electro, Synthwave, with influences from Witch House, Techno, and Dark Synth.

## DISCOGRAPHY

**Open the Red Sea:** A positive and uplifting synthwave track with guitar riffs in the second half, evoking themes of adventure and exploration.

**Bryant Acid:** A high-energy track with acid-synth influences, perfect for late-night drives or dynamic playlists.

**Virtau Bud:** A darker, more mysterious piece combining cinematic piano melodies with cyberpunk-inspired atmospheres.

**Midnight Hex (featuring Lynvy):** A haunting blend of Witch House and Dark Synth. The track features eerie vocals and a monologue from the classic movie Pimpernel Smith, creating an atmosphere perfect for Halloween.

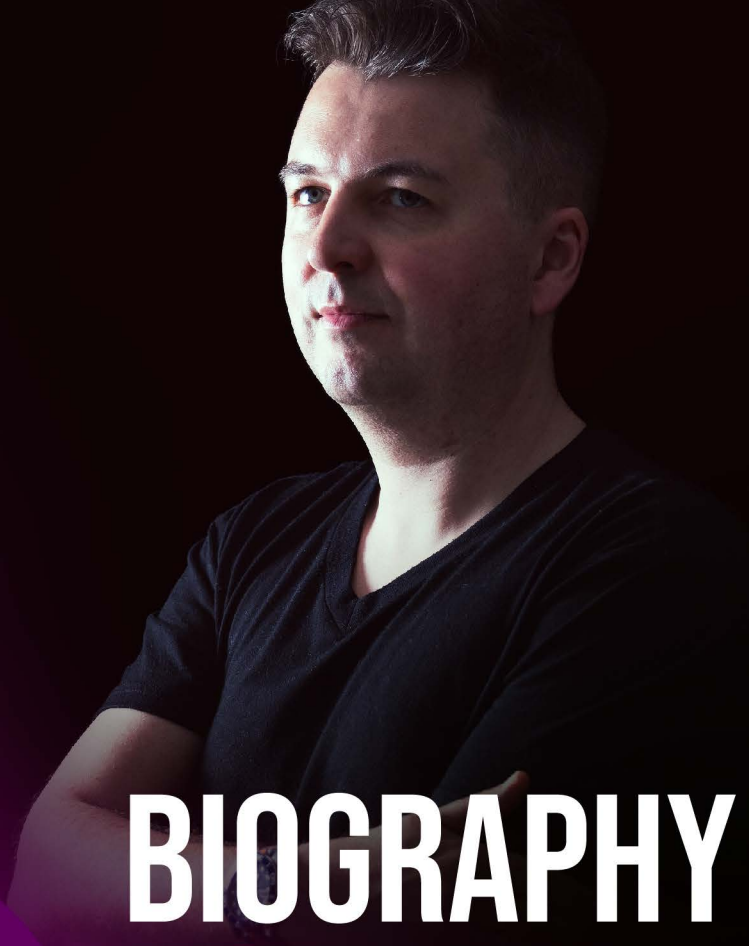

**Giant Gunner:** A powerful synthwave anthem that blends retro sounds with modern electronic elements, evoking images of larger-than-life heroes and epic battles.

### EP Release:

A new album/EP titled *Onto the Past*, exploring retro-futuristic themes and deepening the connection to the 1980s synthwave universe. A compilation of the 5 tracks mentioned above.
